Grant of Patent License. Subject to the terms and conditions of this License, each Contributor hereby grants to You a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable (except as stated in this section) patent license to make, have made, use, offer to sell, sell, import, and otherwise transfer the Work, where such license applies only to those patent claims licensable by such Contributor that are necessarily infringed by their Contribution(s) alone or by combination of their Contribution(s) with the Work to which such Contribution(s) was submitted. If You institute patent litigation against any entity (including a cross-claim or counterclaim in a lawsuit) alleging that the Work or a Contribution incorporated within the Work constitutes direct or contributory patent infringement, then any patent licenses granted to You under this License for that Work shall terminate as of the date such litigation is filed.</p> <p>4. Redistribution. You may reproduce and distribute copies of the Work or Derivative Works thereof in any medium, with or without modifications, and in Source or Object form, provided that You meet the following conditions:</p> <ol style="list-style-type: none">You must give any other recipients of the Work or Derivative Works a copy of this License; and

		<p>with respect to NXP, NXP B.V. (the parent company of NXP, and a legal entity organized under the laws of the Netherlands) and any corporation or other legal entity that NXP B.V. now or hereafter Controls, and (b) with respect to Licensee, any corporation or other legal entity that Licensee now or hereafter Controls, is Controlled by or is under common Control with; where "Control" means the direct or indirect ownership of more than fifty percent (>50%) of the shares or similar interests entitled to vote for the election of directors or other persons performing similar functions. An entity may be considered an Affiliate only when such Control exists. 1.2 "Licensed Materials" means the Samples, including software, documentation and/or related items as provided to Licensee by NXP as part of the Samples, including all upgrades, updates, information and/or other materials relating thereto that NXP may (in its sole discretion) provide to Licensee. 1.3 "Samples" means the semiconductor hardware devices (mostly in prototype form or early demonstrators) manufactured by or on behalf of NXP. 2. License. Subject to the terms and conditions of these Terms and Conditions, and for a term of one (1) year after delivery NXP hereby grants to Licensee a non-exclusive, worldwide, personal, non-transferable, royalty-free license, without the right to sublicense, to: (a) use the Licensed Materials for the limited purpose of Licensee's internal evaluation of the commercial potential of the Licensed Materials, and (b) demonstrate the Licensed Materials to prospective customers only as part of Licensee's prototypes or demonstrators (i.e. not stand alone), provided, however, that (i) NXP has provided in advance, written approval (e.g. email approval) of Licensee demonstrating the Licensed Materials to specified prospective customer(s) or at specified event(s) (collectively, the "Authorized Purpose"). Licensee shall only provide third party access to the Licensed Materials in accordance with Terms and Conditions, on the condition that such third party is bound by obligations no less protective than these Terms and Conditions. Licensee shall be fully liable to NXP for any breach of these Terms and Conditions by such third party. 3. Restrictions. Licensee shall not, and shall not permit any third party to: (i) use the Licensed Materials for commercial or revenue generating purposes; (ii) copy, translate, modify or make derivative works of any</p>

Open Source Restrictions. The license granted in Section 2 does not include any license, right, power or authority to cause the Licensed Materials, in whole or in part, to be subject to Open Source Licensing Terms. As used herein, "Open Source Licensing Terms" means terms in any license for software which require, as a condition of use, modification and/or distribution of such software or other software incorporated into, derived from or distributed with such software (a "Work"), any of the following: (a) the making available of source code or design information regarding the Work; (b) the granting of permission for creating derivative works regarding the Work; or (c) the granting of a royalty-free license to any party under intellectual property rights regarding the Work. By means of example and without limitation, Open Source Licensing Terms include the following licenses or distribution models: (i) the GNU General Public License (GPL) or Lesser/Library GPL (LGPL), (ii) the Artistic License (e.g. PERL), (iii) the Mozilla Public License, (iv) the Common Public License, (v) the Sun Community Source License (SCSL), (vi) the Sun Industry Standards Source License (SISSL), and (vii) the Open Software License. 5. Ownership. These Terms and Conditions do not transfer any ownership interest in the Licensed Materials. Except for those</p>

Confidentiality. The Licensed Materials include confidential and proprietary information and materials and may include trade secrets. Licensee agrees to: (i) hold the Licensed Materials in confidence, (ii) disclose the Licensed Materials only to its employees, contractors and customers who have a need to know and who have been advised of and are bound by confidentiality obligations no less protective than this provision, and (iii) use the Licensed Materials only for the Authorized Purpose. Licensee agrees to use reasonable measures to protect the Licensed Materials from misappropriation or misuse. Licensee shall notify NXP immediately if Licensee learns of any misappropriation, or unauthorized use or disclosure of the Licensed Materials. 7. Termination; Effects. NXP may terminate License provided under Section 2, at any time for any or no reason, by providing written notice to the other party. Upon such termination: (i) all rights and licenses granted to Licensee under these Terms and Conditions shall immediately terminate; (ii) upon first request of NXP Licensee shall promptly return to NXP or, at NXP's discretion, destroy all of the Licensed Materials and all whole and partial copies thereof; (iii) within thirty (30) days after such request, Licensee shall furnish to NXP at the address above a written certification that all of the Licensed Materials and all whole and partial copies thereof, have been (a) destroyed or returned to NXP, and (b) erased from all of Licensee's storage elements and devices. All defined terms and Sections 3 through 13 shall survive any termination of the License. 8. Remedies. Licensee acknowledges and agrees that, if NXP is required to bring an action to enforce the provisions of these Terms and Conditions, the damages may be irreparable and difficult to measure and NXP shall be entitled to seek equitable relief including a preliminary injunction in addition to any other relief available. Licensee agrees that in the event that NXP seeks an injunction hereunder, Licensee hereby waives any requirement for the posting of a bond or any other security. 9. Disclaimer. THE</p>

TERMS AND CONDITIONS FOR USE, REPRODUCTION, AND DISTRIBUTION

1. Definitions.

"License" shall mean the terms and conditions for use, reproduction, and distribution as defined by Sections 1 through 9 of this document.

"Licensor" shall mean the copyright owner or entity authorized by the copyright owner that is granting the License.

"Legal Entity" shall mean the union of the acting entity and all other entities that control, are controlled by, or are under common control with that entity. For the purposes of this

License Texts

License	Used By	Text
		<p>definition, "control" means (i) the power, direct or indirect, to cause the direction or management of such entity, whether by contract or otherwise, or (ii) ownership of fifty percent (50%) or more of the outstanding shares, or (iii) beneficial ownership of such entity.</p> <p>"You" (or "Your") shall mean an individual or Legal Entity exercising permissions granted by this License.</p> <p>"Source" form shall mean the preferred form for making modifications, including but not limited to software source code, documentation source, and configuration files.</p> <p>"Object" form shall mean any form resulting from mechanical transformation or translation of a Source form, including but not limited to compiled object code, generated documentation, and conversions to other media types.</p> <p>"Work" shall mean the work of authorship, whether in Source or Object form, made available under the License, as indicated by a copyright notice that is included in or attached to the work (an example is provided in the Appendix below).</p> <p>"Derivative Works" shall mean any work, whether in Source or Object form, that is based on (or derived from) the Work and for which the editorial revisions, annotations, elaborations, or other modifications represent, as a whole, an original work of authorship. For the purposes of this License, Derivative Works shall not include works that remain separable from, or merely link (or bind by name) to the interfaces of, the Work and Derivative Works thereof.</p> <p>"Contribution" shall mean any work of authorship, including the original version of the Work and any modifications or additions to that Work or Derivative Works thereof, that is intentionally submitted to Licensor for inclusion in the Work by the copyright owner or by an individual or Legal Entity authorized to submit on behalf of the copyright owner. For the</p>

		<p>purposes of this definition, "submitted" means any form of electronic, verbal, or written communication sent to the Licensor or its representatives, including but not limited to communication on electronic mailing lists, source code control systems, and issue tracking systems that are managed by, or on behalf of, the Licensor for the purpose of discussing and improving the Work, but excluding communication that is conspicuously marked or otherwise designated in writing by the copyright owner as "Not a Contribution."</p> <p>"Contributor" shall mean Licensor and any individual or Legal Entity on behalf of whom a Contribution has been received by Licensor and subsequently incorporated within the Work.</p> <p>2. Grant of Copyright License. Subject to the terms and conditions of this License, each Contributor hereby grants to You a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable copyright license to reproduce, prepare Derivative Works of, publicly display, publicly perform, sublicense, and distribute the Work and such Derivative Works in Source or Object form.</p> <p>3. Grant of Patent License. Subject to the terms and conditions of this License, each Contributor hereby grants to You a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable (except as stated in this section) patent license to make, have made, use, offer to sell, sell, import, and otherwise transfer the Work, where such license applies only to those patent claims licensable by such Contributor that are necessarily infringed by their Contribution(s) alone or by combination of their Contribution(s) with the Work to which such Contribution(s) was submitted. If You institute patent litigation against any entity (including a cross-claim or counterclaim in a lawsuit) alleging that the Work or a Contribution incorporated within the Work constitutes direct or contributory patent infringement, then any patent licenses granted to You under this License for that Work shall terminate as of the date such litigation is filed.</p>

		<p>4. Redistribution. You may reproduce and distribute copies of the Work or Derivative Works thereof in any medium, with or without modifications, and in Source or Object form, provided that You meet the following conditions:</p> <ul style="list-style-type: none">a. You must give any other recipients of the Work or Derivative Works a copy of this License; andb. You must cause any modified files to carry prominent notices stating that You changed the files; andc. You must retain, in the Source form of any Derivative Works that You distribute, all copyright, patent, trademark, and attribution notices from the Source form of the Work, excluding those notices that do not pertain to any part of the Derivative Works; andd. If the Work includes a "NOTICE" text file as part of its distribution, then any Derivative Works that You distribute must include a readable copy of the attribution notices contained within such NOTICE file, excluding those notices that do not pertain to any part of the Derivative Works, in at least one of the following places: within a NOTICE text file distributed as part of the Derivative Works; within the Source form or documentation, if provided along with the Derivative Works; or, within a display generated by the Derivative Works, if and wherever such third-party notices normally appear. The contents of the NOTICE file are for informational purposes only and do not modify the License. You may add Your own attribution notices within Derivative Works that You distribute, alongside or as an addendum to the NOTICE text from the Work, provided that such additional attribution notices cannot be construed as modifying the License.

		<p>You may add Your own copyright statement to Your modifications and may provide additional or different license terms and conditions for use, reproduction, or distribution of Your modifications, or for any such Derivative Works as a whole, provided Your use, reproduction, and distribution of the Work otherwise complies with the conditions stated in this License.</p> <p>5. Submission of Contributions. Unless You explicitly state otherwise, any Contribution intentionally submitted for inclusion in the Work by You to the Licensor shall be under the terms and conditions of this License, without any additional terms or conditions. Notwithstanding the above, nothing herein shall supersede or modify the terms of any separate license agreement you may have executed with Licensor regarding such Contributions.</p> <p>6. Trademarks. This License does not grant permission to use the trade names, trademarks, service marks, or product names of the Licensor, except as required for reasonable and customary use in describing the origin of the Work and reproducing the content of the NOTICE file.</p> <p>7. Disclaimer of Warranty. Unless required by applicable law or agreed to in writing, Licensor provides the Work (and each Contributor provides its Contributions) on an "AS IS" BASIS, WITHOUT WARRANTIES OR CONDITIONS OF ANY KIND, either express or implied, including, without limitation, any warranties or conditions of TITLE, NON-INFRINGEMENT, MERCHANTABILITY, or FITNESS FOR A PARTICULAR PURPOSE. You are solely responsible for determining the appropriateness of using or redistributing the Work and assume any risks associated with Your exercise of permissions under this License.</p> <p>8. Accepting Warranty or Additional Liability. While redistributing the Work or Derivative Works thereof, You may choose to offer, and charge a fee for, acceptance of support, warranty, indemnity, or other liability obligations and/or rights consistent with this License. However, in accepting such obligations, You may act only on Your own behalf and on Your sole responsibility, not on behalf of any other Contributor, and only if You agree to indemnify, defend, and hold each Contributor harmless for any liability incurred by, or claims asserted against, such Contributor by reason of your accepting any such warranty or additional liability.</p> <p>END OF TERMS AND CONDITIONS</p> <p>APPENDIX: How to apply the Apache License to your work</p> <p>To apply the Apache License to your work, attach the following boilerplate notice, with the fields enclosed by brackets "[]" replaced with your own identifying information. 		<p>with respect to NXP, NXP B.V. (the parent company of NXP, and a legal entity organized under the laws of the Netherlands) and any corporation or other legal entity that NXP B.V. now or hereafter Controls, and (b) with respect to Licensee, any corporation or other legal entity that Licensee now or hereafter Controls, is Controlled by or is under common Control with; where "Control" means the direct or indirect ownership of more than fifty percent (>50%) of the shares or similar interests entitled to vote for the election of directors or other persons performing similar functions. An entity may be considered an Affiliate only when such Control exists. 1.2 "Licensed Materials" means the Samples, including software, documentation and/or related items as provided to Licensee by NXP as part of the Samples, including all upgrades, updates, information and/or other materials relating thereto that NXP may (in its sole discretion) provide to Licensee. 1.3 "Samples" means the semiconductor hardware devices (mostly in prototype form or early demonstrators) manufactured by or on behalf of NXP. 2. License. Subject to the terms and conditions of these Terms and Conditions, and for a term of one (1) year after delivery NXP hereby grants to Licensee a non-exclusive, worldwide, personal, non-transferable, royalty-free license, without the right to sublicense, to: (a) use the Licensed Materials for the limited purpose of Licensee's internal evaluation of the commercial potential of the Licensed Materials, and (b) demonstrate the Licensed Materials to prospective customers only as part of Licensee's prototypes or demonstrators (i.e. not stand alone), provided, however, that (i) NXP has provided in advance, written approval (e.g. email approval) of Licensee demonstrating the Licensed Materials to specified prospective customer(s) or at specified event(s) (collectively, the "Authorized Purpose"). Licensee shall only provide third party access to the Licensed Materials in accordance with Terms and Conditions, on the condition that such third party is bound by obligations no less protective than these Terms and Conditions. Licensee shall be fully liable to NXP for any breach of these Terms and Conditions by such third party. 3. Restrictions. Licensee shall not, and shall not permit any third party to: (i) use the Licensed Materials for commercial or revenue generating purposes; (ii) copy, translate, modify or make derivative works of any</p>

		<p>portion of the Licensed Materials; (iii) rent, disclose, publish, sell, assign, lease, lend, sublicense, market, transfer, distribute or otherwise provide third parties access to any portion of the Licensed Materials, except as expressly authorized in Section 2; (iv) reverse engineer, decompile or disassemble the Licensed Materials, or derive or attempt to derive the source code, algorithmic nature or structure of any object code portions of the Licensed Materials except and only to the extent that such activity is expressly permitted by applicable law notwithstanding this limitation; (v) use the Licensed Materials to create any product that competes with the Licensed Materials; (vi) remove or circumvent any protection or other restrictive technology mechanism of the Licensed Materials; (vii) remove or alter any proprietary markings or notices from the Licensed Materials; (viii) disclose the results of the Licensed Materials' performance benchmarks to any third party without NXP's express prior written consent; or (ix) otherwise use any portion of the Licensed Materials in any manner not expressly authorized in Section 2. 4. Open Source Restrictions. The license granted in Section 2 does not include any license, right, power or authority to cause the Licensed Materials, in whole or in part, to be subject to Open Source Licensing Terms. As used herein, "Open Source Licensing Terms" means terms in any license for software which require, as a condition of use, modification and/or distribution of such software or other software incorporated into, derived from or distributed with such software (a "Work"), any of the following: (a) the making available of source code or design information regarding the Work; (b) the granting of permission for creating derivative works regarding the Work; or (c) the granting of a royalty-free license to any party under intellectual property rights regarding the Work. By means of example and without limitation, Open Source Licensing Terms include the following licenses or distribution models: (i) the GNU General Public License (GPL) or Lesser/Library GPL (LGPL), (ii) the Artistic License (e.g. PERL), (iii) the Mozilla Public License, (iv) the Common Public License, (v) the Sun Community Source License (SCSL), (vi) the Sun Industry Standards Source License (SISSL), and (vii) the Open Software License. 5. Ownership. These Terms and Conditions do not transfer any ownership interest in the Licensed Materials. Except for those</p>

		<p>rights specifically granted in Section 2: (i) NXP, its Affiliates and their suppliers reserve all right, title and interest in and to the Licensed Materials, and (ii) no other express or implied license, right or interest in any patent, patent application, copyright, trade secret, trademark or any other intellectual property right are granted hereunder. 6. Confidentiality. The Licensed Materials include confidential and proprietary information and materials and may include trade secrets. Licensee agrees to: (i) hold the Licensed Materials in confidence, (ii) disclose the Licensed Materials only to its employees, contractors and customers who have a need to know and who have been advised of and are bound by confidentiality obligations no less protective than this provision, and (iii) use the Licensed Materials only for the Authorized Purpose. Licensee agrees to use reasonable measures to protect the Licensed Materials from misappropriation or misuse. Licensee shall notify NXP immediately if Licensee learns of any misappropriation, or unauthorized use or disclosure of the Licensed Materials. 7. Termination; Effects. NXP may terminate License provided under Section 2, at any time for any or no reason, by providing written notice to the other party. Upon such termination: (i) all rights and licenses granted to Licensee under these Terms and Conditions shall immediately terminate; (ii) upon first request of NXP Licensee shall promptly return to NXP or, at NXP's discretion, destroy all of the Licensed Materials and all whole and partial copies thereof; (iii) within thirty (30) days after such request, Licensee shall furnish to NXP at the address above a written certification that all of the Licensed Materials and all whole and partial copies thereof, have been (a) destroyed or returned to NXP, and (b) erased from all of Licensee's storage elements and devices. All defined terms and Sections 3 through 13 shall survive any termination of the License. 8. Remedies. Licensee acknowledges and agrees that, if NXP is required to bring an action to enforce the provisions of these Terms and Conditions, the damages may be irreparable and difficult to measure and NXP shall be entitled to seek equitable relief including a preliminary injunction in addition to any other relief available. Licensee agrees that in the event that NXP seeks an injunction hereunder, Licensee hereby waives any requirement for the posting of a bond or any other security. 9. Disclaimer. THE</p>

Export Laws. Insofar as these relate to the activities under these Terms and Conditions, Licensee shall comply with all applicable national and international export control laws and regulations. In particular, Licensee shall not directly or indirectly export, re-export, transfer or release any Licensed Materials or direct product thereof to any destination, person, entity or end use restricted or prohibited by applicable laws, without obtaining prior authorization from the applicable competent government authorities to the extent required by those laws.</p> <p>13. Miscellaneous. (A) Nothing in these Terms and Conditions shall create a joint venture, partnership or principal/agent relationship between the parties. (B) Licensee shall not assign or transfer any of its rights or obligations hereunder without the prior written consent of NXP. Subject to the foregoing, these Terms and Conditions shall be binding upon and inure to the benefit of the parties and their respective successors and permitted assigns. Any attempted assignment other than in strict compliance with this Section 13(B) shall be void. (C) All notices required or permitted hereunder shall be in writing and shall be deemed delivered upon hand delivery, upon receipt if by acknowledged facsimile communication, or upon receipt if sent by world renown overnight courier or mailed by registered or certified mail, return receipt requested, postage prepaid, to a party at its address set forth above or such other address of which a party may notify the other from time to time. (D) A waiver of any right hereunder shall in no way waive any other rights. NXP reserves the right to make any amendments or modifications to these Terms and Conditions at any time. Such amendments and modifications shall have effect on all Licensed Materials licensed under these Terms and Conditions thirty (30) days from publication or notification of such amendments or modifications by NXP, unless Licensee has notified NXP within such thirty (30) days period that it objects thereto. (F) These Terms and Conditions constitute the entire agreement regarding the subject matter hereof and supersedes all prior agreements, understandings and communications, oral and written, between the parties regarding the subject matter hereof. (G)NXP reserves the right to make at any time product and/or production changes. In such event NXP does not guarantee that said changes shall not negatively affect form, fit or function of the Licensed Materials and their performance characteristics. (H) NXP reserves the right to discontinue manufacturing and sale of the Licensed Materials at any time. If however at any time during the term of an agreement under which NXP sells and Licensee purchases products on a regular basis, such regularly sold and purchased products are to be permanently discontinued ("Discontinued Product"), NXP shall use its reasonable commercial efforts to give Licensee prior written notice of such discontinuance and shall use reasonable commercial efforts to accept last-time-buy orders for such Discontinued Product all in accordance with NXP's product discontinuation process and general information related thereto as published on NXP's website.
